

## Arizona Silver Belt

THURSDAY, MARCH 25, 1897.

Grant Allison came up from San Carlos last night.

The latest spring style hats just received at Mrs. C. E. Taylor's.

Ed Tewkesbury has secured the contract for gathering the Pringle cattle sold to J. G. Hall, of Deming, N. M.

The territorial board of education has awarded Harry W. Nash, of Payson, Gila county, an educational diploma.

Col. and Mrs. Geo. Atkinson, of Los Angeles, Cal., arrived in Globe yesterday evening on a visit to their daughter, Mrs. T. Shields Collins.

Alonso Bailey, president of the Old Dominion Commercial Company, left for Los Angeles on Wednesday to visit his family for five or six weeks.

Arthur Wood, a well known traveling man, was here for several days this week. He now represents W. H. Constable, specialty broker, of El Paso, Texas.

Messrs. E. H. Cook, C. E. Taylor and Chas. Holman, members of White Mountain Lodge No. 2, F. & A. M., went to Tucson yesterday to take the charter degree in Masonry.

Sultana Rebekah Degree Lodge, No. 5, meets on the second and fourth Mondays in each month at Masonic hall. Mrs. Ida McNelly, N. G. Mrs. CAROLINE HITCHCOCK, Sec.

Having concluded to remain in Globe, the undersigned is prepared to receive pupils on the piano, violin and harmony. Terms, \$5 per month. ADOLPH ZIESE.

Will S. Sultan returned yesterday from Tucson, thoroughly disgusted with the management of the Arizona University, which, according to his report, is a disgrace to the territory.

The United States court is in session at Solomonville this week. The Bulletin says the bulk of the business is cases wherein defendants are charged with selling whisky to Indians. The term will probably last ten days.

Antonio Yanes and another Mexican were up before Justice Harry Temple yesterday for stealing a pair of pants from the Postoffice store. They were each fined \$13.00. Yanes failed to dig up and languishes in the bastille.

The Sultan Mercantile Company has been awarded the contract for supplying the Old Dominion Copper Mining and Smelting Company with all the wood required at the mine and smelter for two years commencing May 15.

Rev. L. L. Rogers, pastor of Globe M. E. church, has gone on a visit to his family in Los Angeles and will be absent for two Sundays. He was much in need of rest, and it is hoped he will derive both pleasure and benefit from the vacation.

Deputy Sheriff Joe McKinney, Constable H. H. Pratt, Modesto Borquez, Jr., Tom Armer and Alex Graydon went to Solomonville last Sunday as witnesses before the U. S. grand jury in cases of persons charged with selling whisky to Indians.

County Recorder G. M. Allison is in receipt of blank certificates for the transfer of live stock brands now on record in his office, to the Live Stock Sanitary Board for registration, as provided for by laws which went into effect recently. Owners of brands recorded in this county should apply to the recorder for certificates of transfer before July 1st next, after which time no brand can be filed which before that time has been filed by another.

S. Goldberg, of the St. Louis Store, left on Wednesday for Chicago, where he will be married on April 11 to Miss Rosa Epstein. The honeymoon will be spent among friends in the east, and Mr. and Mrs. Goldberg expect to arrive in Globe about the first of May. The wedding will be a quiet one and no invitations will be issued, but Mr. Goldberg extends a cordial invitation to his acquaintances to call when he returns with his bride to Globe. The SILVER BELT tenders congratulations.

J. G. Oldfield, of Lake Providence, La., arrived in Globe last Saturday, and expects to remain a month. Some time since he purchased the Faull property, north of town, and is so well satisfied with his investment that he will erect five houses in the same locality to rent. Mr. Oldfield's home is on the Mississippi river between Vicksburg and Memphis, in the district threatened by inundation from the destructive flood now sweeping down the Father of Waters. Mr. Oldfield is naturally apprehensive for his town, but as the levees have broken on the Mississippi side, Oldfield, La., and the contiguous country may escape the overflow.

John Whyte, M. E., expert for the North American Exploration Company, left Globe on Monday for Linares, Nuevo Leon, Mexico, to make an examination of a copper and gold property, the purchase of which his company is considering. The mines are about 100 miles from Monterey and 200 miles from the gulf. The company's attention was drawn to the mines by a carload of the ore treated at their refining works in Brooklyn, which netted \$5000. The ores are very desirable, carrying a large percentage of both copper and gold, and the purchase of the mines by the Exploration Company depends on the report to be made by Mr. Whyte, which if favorable, he will probably remain here to take charge of the property. His departure from Globe is regretted.

The next dance by the Globe Social Club is announced for Saturday evening, March 27.

I. Marks, of the St. Louis Store, returned on Sunday from St. Louis, where he spent the winter with his family.

Notice.—Commencing with March, the monthly pay day of the Lost Gulch Mining Company will be on the 15th of each month. D. R. GERRARD, Supt.

J. N. Porter, of Fort Thomas, and D. B. Lacy, of Globe, are proprietors of the Geronimo & Globe stage line. W. W. Brookner having sold his interest to Mr. Porter. The line is doing a good business.

Maj. Bateman, lecturer for the International Supreme Lodge, I. O. G. T., who is said to be an able speaker, will lecture on temperance in the M. E. church, Globe, on Friday, Saturday and Sunday evening next.

Wm. Whyte is in charge of the Black Warrior copper property during the absence of Supt. W. W. Hill. Work will continue without interruption. They are drifting and crosscutting on the 340 foot level of the Black Copper, with very encouraging results.

We are informed that a late number of the Railway Guide contained the announcement that Huntington, of the Southern Pacific had acquired control of the Gila Valley, Globe and Northern railroad and that construction would be resumed at an early date, with the view of completing the road to Globe.

A change will be noted in the advertisement of the Cafe Royal, C. E. Taylor, proprietor. It is one of the oldest and best appointed resorts for gentlemen in Globe, and the quality of the wines, liquors and cigars kept is of the very finest. The Cafe Royal merits the large patronage which it enjoys.

The Silver City (N. M.) Enterprise says, the new Copper Flat smelter is working to a charm and extracting as large a percentage of the values contained in the ore as is possible. An analysis of the slag shows that it is as clean of copper and precious metals as any smelter slag in the world. N. S. Berry is superintendent of the mines.

Mr. C. F. Putnam and family left this morn'g Thursday morning for Heber, where Mrs. Putnam and son Israel will stop for a few months before going to their ranch in Pleasant Valley. Mr. Putnam will, however, go on over the mountain to look after his cattle interests. They will be greatly missed from the social gatherings of this place.—Holbrook Argus.

Edmond de Stontz, M. E., of the Continental, who was in town a few days ago, reported that the northeast drift on the 50 foot level was in a large body of very fine ore. The work thus far done on the Continental has fully met the expectations of the management, and there appears to be no doubt that it will become one of the great copper mines of Globe district.

The weather for several days of the past week was almost as cold and disagreeable as at any time during the winter. On Saturday and Sunday a cold west wind prevailed, and on Monday and Tuesday mornings there was almost half an inch of ice, and ice formed along the banks of Pinal creek. Blossoms on fruit trees were badly wilted and most of the fruit is believed to have been killed. We are now enjoying ideal spring weather.

It is said that the mining camps are never permanent, but Globe is an exception, for although everything to and from the mines has been hauled on wagons a distance of 150 miles up to within eighteen months and now is hauled the same way for seventy miles, still the camp is prosperous and will continue to grow and improve, new mines will continually open up until when the railroad reaches there it will be one of the booming camps of the southwest.—Graham Guardian.

Mr. and Mrs. Leroy Ikenberry returned home from Phoenix Saturday last, and Mr. Ikenberry, who represented Gila county in the legislative assembly, has been the recipient of hearty congratulations for the excellent record which he made as a member of the notorious Nineteenth. He certainly deserves the commendation of his constituents for his manly and conscientious course, and uncompromising opposition to all measures detrimental to the best interests of the territory. It is unfortunate that there were so few members of the legislature possessed of the integrity and sound sense shown by Mr. Ikenberry.

Captain J. L. Bullis, well known in Arizona, having been for a number of years Indian agent at San Carlos, was a passenger on the train from the east Tuesday, going to Aravipa, where he owns some valuable mines. Captain Bullis was one of the best Indian agents ever put over the Apache Indians at San Carlos. Since he left here five years ago he has been in charge of about 10,000 Indians near Santa Fe, New Mexico, and has managed them very successfully. Captain Bullis owns 160 acres of good land near Central in this valley, and was much pleased to hear of the general prosperity and advancement of this section.—Graham County Bulletin.

## The Kellner Soiree.

The dancing party given by E. F. Kellner, Jr., last night at Parker's hall, was one of the most elegant and enjoyable social events ever witnessed in Globe. Elaborate preparations had been made. The hall was nicely decorated and colored ushers and waiters were in attendance to look after the comfort of guests, and anticipated their every want.

The programme of dances was a pleasing departure from the usual procedure on such occasions. The german, lancers, and other popular dances, introducing many new figures, added much to the pleasure of the occasion.

The grand march, led by Mr. E. F. Kellner, Sr. and Miss Davis, presented pleasing variations. The march was followed by the german, led by Mr. W. T. McNeil and Miss Graydon, Mr. George S. Cook and Miss Susie Moreno, Mr. W. A. Lucas and Miss Ramsdell, Mr. Harry Sultan and Miss Lena Stanfield. Many beautiful figures were introduced and the favors comprised the ornate and the ludicrous, inspiring pleasure and amusement.

An inviting luncheon with este noir, punch and lemonade was served immediately after the german, and the guests refreshed, returned to the dance with renewed energy. It was altogether the most successful and pleasant social gathering of the season and the Messrs. Kellner, father and son, were recipients of many compliments and the congratulations of all who participated in the affair. Following is list of those present:

Mr. and Mrs. J. H. Thompson, Mr. and Mrs. G. M. Allison, Mr. and Mrs. Chas. Slack, Mr. and Mrs. Floyd Blevins, Mr. and Mrs. N. W. Aylsworth, Mrs. Foster.

Misses Graydon, Ramsdell, Cunningham, Davis, Susie Moreno, McCarty, Stanfield, Trevillian, Sarah Moreno, Allen, Morehead, McKivett, Thompson and Cadman.

Messrs. E. F. Kellner, Sr., E. F. Kellner, Jr., J. W. Ransom, John S. Cook, Herbert Cook, W. A. Lucas, John Morehead, Harry Sultan, Tom McKivett, W. T. McNeil, James Burns, W. E. Lambert, Arthur Jones, Frank Moreno, G. F. Wilson, Theodore Randall, J. G. Hyde, H. M. Schlesinger and G. D. Barclay.

## A Shooting Scrape.

Geo. L. Murphy, proprietor of the Pacific bakery, was shot last Sunday morning about 2 o'clock at the door of Susie Gill's apartment, in the Sand Wash, a notorious quarter of the town. The bullet from a 44-revolver entered the back and passed through the right shoulder, inflicting a very ugly wound from which the blood flowed freely. It was feared the injury would prove fatal, but Murphy rallied and has improved rapidly, and yesterday was able to sit up.

Susie Gill, who was arrested, charged with the shooting, had her examination yesterday before Justice Temple. Very little testimony was adduced, and that of a conflicting character. It has been claimed that Murphy stood in the doorway when shot, but a trail of blood to the house indicated that the shooting occurred fifty feet from the house. The defendant was bound over in the sum of \$500 to await the action of the grand jury.

J. H. Canavan has purchased the Hackberry smelter, on Mineral Creek, for his company and had it removed to the mines below Casa Grande.

Tom Haley is circulating among his Globe friends, having come up from Riverside last night. Tom is the owner of valuable mines in the Mineral Creek district.

The Pioneer Meat Market changed hands last week, Frank Bauer sold out to Messrs. Graff & Boone. The new proprietors are both experienced butchers and reliable men, whom we can recommend with confidence to the public. They have a well furnished shop and aim to supply the very best meat.

Dr. B. G. Fox returned last night from Dripping Springs, where he was called to attend E. E. Griffith, son of Wm. M. Griffith, who sustained a very bad dislocation of the left shoulder by a fall from his horse. While riding after cattle Mr. Griffith's saddle turned throwing him violently to the ground, and after striking on his shoulder he was precipitated over an embankment, inflicting further injury to the crippled shoulder. Dr. Fox set the dislocation and left the patient easier, although he is liable to suffer for some time from the injury.

## Construction to Be Resumed.

The Bulletin has received information from a reliable source to the effect that all right-of-way difficulties with the Indians on the San Carlos reservation have been adjusted and that construction work will be resumed within sixty days on the Gila Valley, Globe & Northern railway at Geronimo, and continued until trains on that road reach the town of Globe. This news will be welcome to the people in this valley as well as to those in the Mountain City. The completion of this road to Globe will open up many new industries and enterprises in that vicinity and beyond. A branch of this road, it is believed, will in the near future be built to the Deer Creek coal fields.—Graham County Bulletin.

## Laid to Rest.

The funeral of the late Frederick Behenna took place on Friday afternoon, March 19, from the M. E. church, under the auspices of Globe Lodge, No. 15, A. O. U. W., and Globe Miners' Union, No. 60. Members of both orders, forming a long line, marched to the house and thence to the church with the remains, where the coffin bearing flowers and the deceased Workman's badge, was deposited in front of the church. Companions of the deceased, members of the Miners' Union, acted as pall bearers. The attendance was very large, every seat being filled; evidencing the respect in which Frederick Behenna was held by all who knew him. Rev. L. L. Rogers conducted the service in the church and commended the character of the deceased, and the choir sang several effective hymns.

At the grave, the A. O. U. W. service was read by Master Workman, Chas. T. Martin, and P. M. W. Jos. H. Hamill, and the funeral ode was sung by Messrs. Temple, Slack and Hamill. Every christian office for the dead was performed, and every fraternal mark of respect observed. The deceased held a beneficiary certificate in the A. O. U. W. for \$2000, in favor of his father, Thos. Behenna, of Chasewater, Cornwall, England, to whom the amount will be promptly paid. The funeral expenses were defrayed by the Miners' Union and Workman lodge.

## RESOLUTIONS BY GLOBE MINERS' UNION, NO. 60.

Believing in and relying on the wisdom of an all-wise providence we submit with a hopeful faith to the decree that has taken from us our brother, Frederick Behenna.

Trusting in the gracious mercy of our Heavenly Father and the blood of his son, our Lord and Saviour, Jesus Christ, we believe and hope that the departure of our brother from this life is only his entrance into an eternal life of peace and rest and happiness.

We desire to extend to the parents and relatives of our brother our earnest and heartfelt sympathy in their loss and to bear witness that while he had been with us but a short time he had won our respect and admiration for his moral worth and manly character, and the Globe Miners' Union No. 60, of the Western Federation of Miners, decree that in honor of the memory of our brother Frederick Behenna these resolutions be spread on the minutes of our union, also that they be printed in the SILVER BELT and that a copy of the same be sent his parents, and the charter of our union be draped in mourning for 30 days.

Respectfully submitted as committee of the Globe Miners Union No. 60, of the W. F. of M.
